

V Iberoamerican Congress on Geometry

Pucón-Chile

10 - 13 December 2010

Second Announcement

The *V Iberoamerican Congress on Geometry* will take place in Pucón, southern Chile, from December 10 to 13, 2010. The web site is

<http://www.geometry.cl>

to which information is added as it becomes available, and the e-mail for queries is

info@geometry.cl

We are enclosing the list of confirmed plenary speakers and the list of special sessions with corresponding coordinators.

V Iberoamerican Congress on Geometry

Pucón-Chile

10 - 13 December 2010

Plenary Speakers

- **Arnaud Beauville**, Université de Nice.
- **Laura DeMarco**, University of Illinois at Chicago.
- **Gavril Farkas**, Universität zu Berlin.
- **Jane Gilman**, Rutgers University, Newark.
- **Víctor González-Aguilera**, Universidad Técnica Federico Santa María.
- **Igor Krichever**, Columbia University
- **Motohico Mulase**, University of California, Davis.
- **Francisco Plaza-Martín**, Universidad de Salamanca.
- **Gonzalo Riera**, Pontificia Universidad Católica de Chile.
- **Ricardo Salvati Manni**, Università di Roma La Sapienza.
- **Alberto Verjovsky**, Universidad Nacional Autónoma de México, Cuernavaca

V Iberoamerican Congress on Geometry

Pucón-Chile

10 - 13 December 2010

Special Sessions

- **Riemann surfaces**

Angel Carocca (acarocca@mat.puc.cl)
Coordinators Gabino González-Diez (gabino.gonzalez@uam.es)

- **Algebraic surfaces**

Michela Artebani (martebani@udec.cl)
Coordinators Igor Dolgachev (idolga@umich.edu)

- **Abelian varieties and Theta functions**

Esteban Gómez-González (esteban@usal.es)
Coordinators José María Muñoz-Porras (jmp@usal.es)

- **Kleinian groups**

Rubén Hidalgo (ruben.hidalgo@usm.cl)
Coordinators Jane Gilman (gilman@andromeda.rutgers.edu)

- **Moduli problems**

Anita M. Rojas (anirajas@uchile.cl)
Coordinators Herbert Lange (lange@mi.uni-erlangen.de)

- **Higher dimensional Algebraic Geometry and Applications**

Carolina Araujo (caraujo@impa.br)
Coordinators Antonio Laface (alaface@udec.cl)

- **Teichmüller theory**

Dragomir Šarić (dragomir.saric@qc.cuny.edu)
Coordinators Nikola Lakic (nikola.lakic@lehman.cuny.edu)
